

ARABIAN SHIPPING & LOGISTICS
العربية للشحن والتفريغ

> ABOUT ASL

With over 39 years of experience in the Qatari business community, Arabian Shipping & Logistics (ASL) has been a living proof of sustainable development with its leading position as one of the top five courier companies in a time-sensitive express delivery industry.

ASL, registered under “Arabian Construction Engineering Company”, holds the courier license in Qatar from the Ministry of Transport and Communications, which makes us the only courier and logistics company owned and operating under Qatari management.

With a myriad of features, benefits, as well as an expanding portfolio of value-added solutions that answered recent logistical challenges to become the-go-to entity for delivery and logistics services.

> MISSION

Connecting businesses, markets & people through the collective positive power of qualified individuals.

> VISION

Excelling as the number one delivery & logistics partner to enable companies to streamline its supply chain inside Qatar.

> VALUES

Positivity, passion and awareness.

> OUR INDUSTRY

AIR-FREIGHT & ROAD-FREIGHT SERVICES

We have always been operating according to our commitment to clients and all stakeholders by providing the best services and seeking impressive results.

LOGISTICS & MODERN FACILITY

We adopt the best practices and the latest technologies; therefore, we are confident of the efficiency of our solutions. ASL's experience and long-term partnerships are a solid indicator of that.

CUSTOMS CLEARANCE & COURIER

We stand by our company's mission which results in maintaining ASL's successful track record. The members of our professional team excel at what they do and operate with a client's satisfaction mind-set.

PARCELS EXPRESS EXPORT & IMPORT

An accurate courier service requires good process, commitment and total secure delivery. Every team member understands that dedication is ASL's primary mission.

> SOME FACTS

OUR FOUNDATION

Established in Qatar in 1981, the company has developed its leading position in the time-sensitive express delivery market through natural growth and successful partnerships.

OUR SOLUTIONS

ASL tailors unique logistics solutions to meet the needs of our customers in various industries. Our expanding portfolio of value-added solutions has already answered some of the most challenges.

OUR TEAM

ASL team is the heart of the company. Majority of the team members have been working in Qatar for many years with successful track record in their professions. They are experts who just do it right.
